

Eckhart Tolle Foundation Grants

The Eckhart Tolle Foundation provides grants to nonprofit organizations aligned with our vision of accelerating the awakening of human consciousness to create a more peaceful and harmonious world.

We encourage you to apply if you represent an organization aligned with our vision, especially those who work with youth and students, incarcerated people, hospice patients and the elderly, animals, and other vulnerable beings.

We receive and respond to applications throughout the year. Grants awarded range from \$5,000-\$25,000 USD depending on the organization. We award grants for general operations, capacity building, and to support specific projects.
